Why Be a Great American Cooter Festival Sponsor?

RECOGNITION: When you sponsor the event, everyone will see your commitment to the community. The festival combines wholesome family fun with opportunities for tourism and economic development which advance the area both culturally and monetarily. The festival is hosted by both the Citrus County Chamber of Commerce and the City of Inverness...a GREAT partnership! Your sponsorship positions your business as a caring community partner;

RELEVANCE: No matter what type of Citrus County business you have, sponsoring the Cooter Festival will allow you to reach your customers in a profoundly influential way. The festival's prominent place on the local calendar ensures that you will foster beneficial awareness where it matters most-right here;

REWARDS: Each sponsorship level includes awareness building recognition at the event. The exposure available through our media packages will reach not only local demographics, but tourists from all over Florida and surrounding states. Higher level packages also include having your logo appear in advertising, online and in print materials. Whichever level you choose, the estimated media value far exceeds the cost of sponsorship. That means that not only are you contributing to a worthy event, you are getting business building exposure at a much lower out-of-pocket cost than through traditional advertising or promotions-making sponsorship rewarding on many levels.

EXPOSURE: The Great American Cooter Festival is everywhere! You'll hear us on the radio and local TV promoting our sponsors and the festival. You'll see us in printed materials all over Florida; in the newspaper, the welcome centers, the rest areas on major highways, in restaurants and entertainment establishments. You'll see our representatives "Miss Cooter" and "Cooter Idol" at various venues such as parades, sporting events, fairs, and other festivals. Sunny Cooter, the festival mascot makes guest appearances throughout Citrus Country through the entire year! Be "EVERYWHERE" with us!
